Oregon Peach Bitters
About eighteen years ago I received a hurt in my back from a pile of lumber falling on me, and ever since had been troubled with weak kidneys more or less, and the last year very much. Through the recommendation of Henry Keese, I bought a bottle of H. Kies's Oregon Peach Bitters and before I had taken half the bottle I found a great relief from it. I believe it to be a splendid remedy for the kidneys, and heartily recommend it for the same.

BURNED THEIR WAY OUT.

The Two Jordan Boys Burn Their Way Out of the Polk County Jail.

Special to the CAPITAL JOURNAL.
DALLAS (Or.), March 15th.—This morning when Sheriff Groves opened the county jail to feed the prisoners he found that the two Jordan boys, who were arrested in Salem during January, for stealing two horses belonging to Thomas Jones, of Polk county, had made their escape during the night. They had built a fire on the floor of the cell in which they were confined, burning a hole through it large enough to admit the passage of their bodies, when they dropped through to the furnace room below and struck out for liberty. At 1:30 p. m. to-day their whereabouts are unknown. Bennewitz, who was confined in an adjoining cell was asleep at the time of their escape and made no effort to join them. This is the second time the Jordan boys have succeeded in breaking from the Polk county jail.
